Life After Life
Kate Atkinson

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact, an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again.

The Handmaid's Tale
Margaret Atwood

Offred is a Handmaid in The Republic of Gilead, a religious totalitarian state in what was formerly known as the United States. She is placed in the household of The Commander, Fred Waterford – her assigned name, Offred, means ‘of Fred’. She has only one function: to breed. If Offred refuses to enter into sexual servitude to repopulate a devastated world, she will be hanged. Yet even a repressive state cannot eradicate hope and desire. As she recalls her pre-revolution life in flashbacks, Offred must navigate through the terrifying landscape of torture and persecution in the present day, and between two men upon which her future hangs.

This is a haunting vision of the future and is at the forefront of dystopian fiction.

The Wasp Factory
Iain Banks

Enter, if you can bear it, the extraordinary world of Frank, just sixteen and unconventional to say the least ‘Two years after I killed Blyth, I murdered my young brother Paul, for quite different reasons and more fundamental reasons than I’d disposed of Blyth, and then a year after that I did my young cousin Esmeralda, more or less on a whim. That’s my score to date. Three. I haven’t killed anybody for years, and don’t intend to ever again. It was just a stage I was going through.

An upsetting and macabre book with a twist at the end. Not for the faint-hearted.

Regeneration
Pat Barker

Craiglockhart War Hospital, Scotland, 1917, and army psychiatrist William Rivers is treating shell-shocked soldiers. Under his care are the poets Siegfried Sassoon and Wilfred Owen, as well as mute Billy Prior, who is only able to communicate by means of pencil and paper. Rivers' job is to make the men in his charge healthy enough to fight. Yet the closer he gets to mending his patients' minds the harder becomes every decision to send them back to the horrors of the front.

Regeneration is the classic exploration of how the traumas of war brutalised a generation of young men and the story continues in *The Eye in the Door* and *The Ghost Road*.

A Long Way Gone
Ishmael Beah

My new friends ask, "Why did you leave Sierra Leone? Because there is a war. You mean, you saw people running around with guns and shooting each other? Yes, all the time. Cool I smile a little. You should tell us about it sometime. Yes, sometime. "This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Ishmael Beah, now twenty-five years old, tells a riveting story: how at the age of twelve in Sierra Leone, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found he was capable of truly terrible acts. This is a rare and mesmerizing account, told with heart breaking honesty.

Wuthering Heights
Emily Bronte

Emily Brontë's novel of impossible desires, violence and transgression is a masterpiece of intense, unsettling power. It begins in a snowstorm, when Lockwood, the new tenant of Thrushcross Grange on the bleak Yorkshire moors, is forced to seek shelter at Wuthering Heights. There he discovers the history of the tempestuous events that took place years before: the intense passion between the foundling Heathcliff and Catherine Earnshaw, her betrayal of him and the bitter vengeance he now wreaks on the innocent heirs of the past.

*The Body: A guide for
Occupants*
Bill Bryson

'We spend our whole lives in one body and yet most of us have practically no idea how it works and what goes on inside it. The idea of the book is simply to try to understand the extraordinary contraption that is us.'

Bill Bryson sets off to explore the human body, how it functions and its remarkable ability to heal itself. Full of extraordinary facts and astonishing stories *The Body: A Guide for Occupants* is a brilliant, often very funny attempt to understand the miracle of our physical and neurological make up. This book will have you marvelling at the form you occupy, and celebrating the genius of your existence, time and time again.

Heroes
Robert Cormier

Set in the 1940s, this is a provocative story about the return home of teenage war hero and war victim, Francis Joseph Cassavant who had his face blown off during the Second World War. He is forced to confront his past - the youth leader he idolised and who betrayed him, and the girl he still loves. The book gets to the heart of human nature and the moral issues and choices we have to make.

This book deals with adult themes, including sexual assault, so read with caution!

The House Children
Heidi Daniele

In 1937, Mary Margaret Joyce is born in the Tuam Home for unwed mothers. After spending her early years in an uncaring foster home, she is sentenced by a judge to an industrial school, where she is given the name Peg, and assigned the number 27. Amid one hundred other unwanted girls, Peg quickly learns the rigid routine of prayer, work, and silence under the watchful eye of Sister Constance. At the age of thirteen, she learns the identity of her birthmother. Peg struggles with feelings of anger and abandonment, while her mother grapples with the shame of having borne a child out of wedlock. The tension between them mounts as Peg, now becoming a young adult, begins to make plans for her future beyond Ireland.

Based on actual events, *The House Children* is a compelling story of familial love, shameful secrets, and life inside Ireland's infamous industrial schools.

Do Androids Dream of Electric Sheep
Philip K Dick

World War Terminus had left the Earth devastated. Through its ruins, bounty hunter Rick Deckard stalked, in search of the renegade replicants who were his prey. When he wasn't 'retiring' them with his laser weapon, he dreamed of owning a live animal - the ultimate status symbol in a world all but bereft of animal life. Then Rick got his chance: the assignment to kill six Nexus-6 targets, for a huge reward. But in Deckard's world things were never that simple, and his assignment quickly turned into a nightmare kaleidoscope of subterfuge and deceit - and the threat of death for the hunter rather than the hunted

Adapted for the film *Blade Runner*

Great Expectations
Charles Dickens

Great Expectations traces the growth of the book's narrator, Philip Pirrip (Pip), from a boy of shallow dreams to a man with depth of character. From its famous dramatic opening on the bleak Kentish marshes, the story abounds with some of Dickens' most memorable characters, including the kindly blacksmith Joe Gargery, the mysterious convict Abel Magwitch, the eccentric Miss Haversham and her beautiful ward Estella.

As Pip unravels the truth behind his own 'great expectations' in his quest to become a gentleman, the mysteries of the past and the convolutions of fate through a series of thrilling adventures serve to steer him towards maturity and his most important discovery of all - the truth about himself.

Bird Song
Sebastian Faulks

1910. Amiens, Northern France. Stephen Wraysford, a young Englishman, arrives in the French city to stay with the Azaire family. He falls in love with unhappily married Isabelle and the two enter a tempestuous love affair. But, with the world on the brink of war, the relationship falters. With his love for Isabelle forever engraved on his heart, Stephen volunteers to fight on the Western Front and enters the unimaginable dark world beneath the trenches of No Man's Land.

Birdsong is an exceptionally moving and unforgettable portrait of the ruthlessness of war and the indestructability of love.

Magician
Raymond E Feist

War is coming to the Kingdom of the Isles from another world, bringing with it chaos and destruction. Pug yearns to train as a warrior and fight for his kingdom alongside his foster-brother, Tomas, but instead he is forced to follow a different path: a path that will lead him right into the heart of the enemy. And one that will change the course of the war - and two worlds - forever. So begins the most epic series in fantasy fiction, a tale that will cross worlds and generations.

Magician is the first book in the Riftwar Saga. The trilogy continues with *Silverthorn* and *A Darkness at Sethanon*.

Fever Pitch
Nick Hornby

For many people watching football is mere entertainment, to some it's more like a ritual; but to others, its highs and lows provide a narrative to life itself.

But, for Nick Hornby, his devotion to the game has provided one of few constants in a life where the meaningful things - like growing up, leaving home and forming relationships, both parental and romantic - have rarely been as simple or as uncomplicated as his love for Arsenal.

Brimming with wit and honesty, *Fever Pitch*, catches perfectly what it really means to be a football fan - and in doing so, what it means to be a man. It sits side by side with the very finest football classics but it is ultimately a book that defies categorization and can be enjoyed by all.

A Thousand Splendid Suns
Khaled Hosseini

Mariam is only fifteen when she is sent to Kabul to marry Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

This is a novel about friendship and strength of character and is a compelling read.

A Prayer for Owen Meany
John Irving

Eleven-year-old Owen Meany, playing in a Little League baseball game in Gravesend, New Hampshire, hits a foul ball and kills his best friend's mother. Owen doesn't believe in accidents; he believes he is God's instrument. What happens to Owen after that 1953 foul ball is both extraordinary and terrifying.

This book is funny in places, sad in others and touching all around. It will leave you in tears and each page completes you to read on.

Mister Pip
Lloyd Jones

Bougainville, 1991. A small village on a lush tropical island in the South Pacific. When the villagers' safe, predictable lives come to a halt because of war, Bougainville's children are surprised to find the island's only white man, a recluse, re-opening the school. Pop Eye, aka Mr Watts, explains he will introduce the children to Mr Dickens. Matilda and the others think a foreigner is coming to the island and prepare a list of much needed items. They are shocked to discover their acquaintance with Mr Dickens will be through Mr Watts' inspiring reading of *Great Expectations*.

But on an island at war, the power of fiction has dangerous consequences. Imagination and beliefs are challenged by guns.

Tinker, Tailor, Soldier, Spy
John Le Carré

A mole, implanted by Moscow Centre, has infiltrated the highest ranks of the British Intelligence Service, almost destroying it in the process. And so former spymaster George Smiley has been brought out of retirement in order to hunt down the traitor at the very heart of the Circus - even though it may be one of those closest to him.

Tinker Tailor Soldier Spy is a great thriller and one of the books in the Cold War cat-and-mouse game between the taciturn, dogged Smiley and his wily Soviet counterpart. Other titles in the series are *Call for the Dead*, *Smiley's People* and *A Murder of Quality*

Life of Pi
Yann Martel

After the tragic sinking of a cargo ship, a solitary lifeboat remains bobbing on the wild, blue Pacific. The only survivors from the wreck are a sixteen-year-old boy named Pi, a hyena, a zebra (with a broken leg), a female orang-utan - and a 450-pound Royal Bengal tiger. The scene is set for one of the most extraordinary and best-loved works of fiction in recent years.

This is a thought provoking book that not only tells the story of a castaway stuck with a tiger, but also asks many questions about spirituality and the existence, or not, of a god.

The Catcher in the Rye
J D Salinger

'If you really want to hear about it, the first thing you'll probably want to know is where I was born and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth.'

A 16-year old American boy relates in his own words the experiences he goes through at school and after, and reveals with unusual candour the workings of his own mind. What does a boy in his teens think and feel about his teachers, parents, friends and acquaintances?

Witty, wise and bittersweet, *The Catcher in the Rye* is the ultimate American coming-of-age novel - a timeless classic.
