Year Group/ Form: _____

Dear form tutors,

Please find enclosed the relevant Citizenship programme of study for your form group. All resources for Citizenship lessons have been clearly laid out on the system, found under:

staffshared/ citizenship staff/ citizenship programme of study/ 2024-25

Followed by selecting your year group. Each unit of work and each lesson corresponds with the titles on the programme of study sheet enclosed. Each 1 hour session is then found within the sub folders for each half term.

Don't worry if you don't complete everything in the PowerPoint and please adapt to your students. If you want to teach the lesson differently, as long as you are covering the content, that is not an issue.

Important:

At the start of each unit, any printed resources will be found in labelled folders in the staff room. The Citizenship book shelf can be found in the left corner of the staff room, please remember to check here regularly for new resources, and return any folders either to the returns boxes in the staff room or to SAS in D10 when we have finished the unit of work, so that these can be restocked for next year. If you have any remaining folders from the last academic year please return these ASAP.

If you have any queries throughout the year regarding the Citizenship provision, or have any feedback or suggestions of resources please do not hesitate to email me!

Many thanks and I look forward to working with you all

Sam Askham
