

MESSAGE FROM THE PRINCIPAL

Dear parents and carers

As we come to the end of the second week back after Christmas, I have been delighted with how our students have returned to school. Students have really bought into the new Rewards system, with the number of achievement points being awarded increasing exponentially. Hopefully, as parents you are now able to see these reward points through Edulink at the end of each day. This will allow you to share and celebrate the success with your child at home and encourage their ambition towards school. I must say, the tutor group 'Welland Cup', is causing much competition not only between students but also between tutors themselves! So, watch this space.

Part of this new rewards system is the tweaks to the behaviour system, and from looking at the early data a large proportion of C1s were given for lack of equipment. I am pleased to say that this has significantly decreased as students are now coming to school with the correct equipment. However, I would urge you to continue to support your child at home by ensuring they have the correct equipment for school every day. We do sell the majority of the stationary required for school in our Resources Dept., if you are struggling to purchase any items, please do not hesitate to get in touch with us to see if we can help.

This week we had a Cyber Protect Audit with Leicestershire Police, and I am delighted to say that we passed with flying colours. The audit covered all aspects of the IT systems we have at WPA, including how we manage technology, the filtering we put into place and the management of our IT with a focus on exploring any potential vulnerabilities. The IT technical team here at WPA are outstanding, and it's down to their efforts that we can pass such audits with areas of strength and good practice recognised.

Finally, this is a very busy term ahead, with lots going on. We have started to talk options with our Year 9 students as they begin the difficult task of selecting their GCSE options for next academic year. We will be working hard and having lots of conversations over the next few weeks in readiness for our Options Evening which is coming up – we will share information regarding this shortly. I would again urge you to start talking to your child about what subjects they enjoy, and which subjects they would like to continue with next year.

Have a lovely weekend.
