

MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

After school on Monday we had 100 year 8 students attending the much anticipated Fright Night. Members of staff, some of the older students and a few volunteers dressed up and hid around the school. The youngsters were split into groups and then taken on a spooky tour of the school where they experienced what Fright Night is really about with characters jumping out on them. They then went back to the Octagonal Hall for a spooky disco with our very own resident DJ Mr Hardy.

We look forward to welcoming the parents of Year 10 students to their Progress Evening on Wednesday 8th November. If you have not made your appointments yet the booking system is open until 6.00pm on Sunday. The Prom Committee will be serving refreshments—payment can be made by cash or card.

Have a great weekend.

Yours faithfully

Pete Leatherland

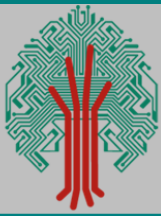

WINTER BUGS

It is that time of year when all the winter bugs start going around.

Can we please ask that if your child is sick, they are kept at home for a **minimum of 24 hours** before returning to school.

WELLAND ECO WARDROBE—MRS BURGESS

During the Summer holidays I started an initiative to try and build up a collection of dresses, suits and accessories that youngsters in the area could access for their Prom, graduation or special occasion at a low cost.

My initial hope was for possibly 20-30 outfits but I have been overwhelmed by the generosity of people, not just in Market Harborough but from various parts of the country. The collection currently consists of 170 dresses, 18 suits, 21 pairs of shoes, 8 bags, 23 ties and some jewellery. I continue to receive donations most days either being dropped off at reception or arriving by post. 8 dresses have been donated by opera singer Stephanie Edwards!!

Students from the current and previous two Prom committees offered to 'model' and Stu Williamson Photography have been into school during the Summer and October half term holidays to take photos of them in the dresses.

I am so very grateful to everyone who has donated items, to the photographers who donated their time and expertise, the 'models' who gave up some of their holiday time and the Academy for providing me with an area that can be used for storage. As youngsters learn more about sustainability, global pollution, carbon footprints etc they seem more receptive to the idea of preloved items. 3 young ladies have already picked their dresses for Prom 2024 and I have received enquiries from youngsters at other schools.

I am hoping to have an online catalogue up and running just after Christmas and to also hold a Special Occasion Evening where all of the items will be on show.

Donations will be gratefully received all year round so if you have any items that you would like to donate, please do let me know.

Welland Park Academy Lunch & Deli Menu
Week commencing 6th November 2023
