Year Group/ Form: _____

Dear form tutors,

Please find enclosed the relevant Citizenship programme of study for your form group. All resources for Citizenship lessons have been clearly laid out on the system, found under:

staffshared/ citizenship staff/ citizenship programme of study/ 2024-25

Followed by selecting your year group. Each unit of work and each lesson corresponds with the titles on the programme of study sheet enclosed e.g. start off with Unit (1), each 1 hour session is then found within the sub folders (1), (2) etc.

Important: Video clips are all embedded into the powerpoints, make sure you have clicked 'enable content' when you open powerpoints in order to make them play. Alternatively they are downloaded as clips in the lesson folders.

At the start of each unit, any printed resources will be found in labelled folders in the staff room. The Citizenship book shelf can be found in the left corner of the staff room, please remember to check here regularly for new resources, and return any folders either to the returns boxes in the staff room or to RSU in D6 when we have finished the unit of work, so that these can be restocked for next year. If you have any remaining folders from the last academic year please return these ASAP.

Alternative Citizenship lessons:

Throughout the year there may be alternative sessions provided - these will be emailed out to you prior to the Citizenship session. At current these are as follows:

- Application forms workshops – **Tuesday 4th March - TBC**

If you have any queries throughout the year regarding the Citizenship provision, or have any feedback or suggestions of resources please do not hesitate to email me!

Many thanks and I look forward to working with you all
