

## MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

It's been another busy and exciting week here at Welland Park Academy!

Our Year 11 students continue to impress with their mature and focused approach to the exam season. Their dedication and resilience are truly commendable, and I'm sure they are now beginning to count down the days until the well-earned summer break.

We've also had two residential trips running this week – one to Germany and one to France. Judging by the photos shared by the trip leaders (now available to view on our social media pages), it's clear that students have had an amazing experience. A huge thank you to the staff who made these trips possible, and we wish everyone safe travels as they make their way home.

In addition, we have sent out a communication this week regarding a change to the gate used for student entrance and exit to school. We will be trialling this new arrangement from **Monday 23rd June 2025**, and will provide feedback before the summer holidays. Please do check your messages for full details and encourage your child to take note of the new arrangements.

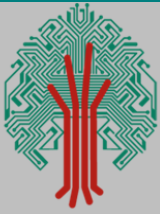

Tickets go on sale on Wednesday 18th June for our Summer Concert. This promises to be a fabulous evening celebrating the musical talent we have here at Welland Park so make sure you purchase your tickets in good time.

Looking ahead, we're thrilled to be taking part in our very first local carnival tomorrow! The Prom 2026 Committee have been working incredibly hard behind the scenes and will be showcasing a fantastic float as well as running a fundraising stall at Symington's Rec. If you spot the float, be sure to give them a wave—and if you're heading down to the Rec, please show your support at their stall.

As always, thank you for your continued support and engagement with all we do.

Warm regards,

Pete Leatherland—Principal

## YEAR 11 PROM

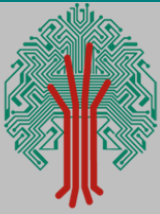

We are still looking for donations of cans/bottles of pop or water. These will be used during the course of the evening. Any donations can be dropped off at the front office.

# PERFORMING ARTS SUMMER CONCERT

**IF YOU ARE INTERESTED IN EITHER  
POSITION, PLEASE CONTACT MRS  
BURGESS**

**[burgessn@wellandparkacademy.com](mailto:burgessn@wellandparkacademy.com)**

## **TEACHING ASSISTANT**

A Teaching Assistant will work under the direction and supervision of a teacher to assist with teaching and learning and associated activities in accordance with school policies and procedures. This may include: assisting with planning, delivery and evaluation of learning activities; supporting in whole classes; and working with individuals and small groups of students.

To assist with the planning, delivery and evaluation of whole class learning objectives, including identifying how the students can best be supported.

To help prepare, monitor and maintain a safe and secure learning environment in line with the teacher's lesson plan.

To promote the development of students self-reliance, self esteem and emotional resilience.

To support the physical, intellectual, emotional and social development of students, facilitating children and young people's learning and development.

To promote the development of positive relationships and acceptable behaviour in accordance with Academy policy.

There may be other responsibilities such as student personal care. These will be discussed at interview.

## **SCIENCE TECHNICIAN**

Welland Park Academy Science Department are looking to appoint an enthusiastic technician to join our dynamic Science team.

The successful candidate would need to be hardworking, adaptable, work well within a team but also be self motivated. Duties would include setting up equipment and preparing chemicals for experiments with overall emphasis of enabling high quality practical experiences for the students within a safe environment. Being organised, methodical and having attention to detail are requirements of the role.

A good all round Science knowledge would also be preferable but not essential as full guidance would be given.

## UPCOMING EVENTS

- **17th June:** Motivational Talk by Ruebyn Ricardo (Year 7)
- **24th June:** Summer Concert
- **26th June:** Year 11 Presentation Evening
- **27th June:** Year 11 Prom
- **8th July:** School finishes for the Summer break

## STAY HYDRATED

As the weather is getting warmer please ensure your child has a water bottle that they can refill during the

day. We have water stations throughout the school that can be accessed at break and lunch.
