

MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

We would like to warmly welcome all of our students back to school following the half term break. It has been lovely to see the school full of energy again, and we are particularly pleased that the recent drop in temperature has made the environment much more comfortable for everyone.

Our Year 11 students returned straight back into their GCSE examinations and continue to approach this important period with focus and maturity. We are extremely proud of the way they are conducting themselves, both in and around their exams. As they enter their final days at Welland Park Academy, students are able to wear their Leavers' Hoodies when they are not in exams, and it is wonderful to see them wearing these with such pride as they move around the site.

We are also delighted to share that the refurbished girls' toilets reopened on Monday. They have been very well received by students and are a great addition to our facilities. Work will now begin on the boys' toilets, and in the meantime, students will be using temporary facilities while this refurbishment takes place.

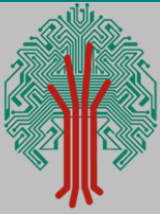

A reminder to parents that if you need to report your child absent for any reason, this should be done via the Edulink system. Using Edulink ensures that messages are received promptly by our attendance team and logged accurately, allowing us to support students and families effectively. If you need any support with your Edulink login, please contact helpdesk@wellandparkacademy.com

Finally, our Year 6 to Year 7 transition programme continues, and over the next two weeks we look forward to welcoming our new students into school for uniform try-on sessions. It is always an exciting time, and we enjoy beginning to build relationships with the next cohort of Welland Park students.

Thank you, as always, for your continued support.

Pete Leatherland—Principal

Y11 only have a couple of weeks left until their Prom and the excitement is definitely building.

Prom tickets are on sale and the deadline for purchasing is Monday June 15th.

Tickets can be purchased from the front office at break and lunchtime.

The Prom Committee are very grateful for all of the support from parents over the year with our fundraising events and as we move into the final few weeks we have one final shout out for donations.

Our last request is for cans of pop. These are put into large ice buckets for students to help themselves to during the course of the evening.

If you are able to donate any at all, please pop them to the front office .

The countdown is on!!!

AS THE WEATHER STARTS TO WARM UP, PLEASE ENSURE YOUR CHILD HAS A REFILLABLE WATER BOTTLE FOR DURING THE DAY

Parental Support Session:

Confidence, Aspiration, Resilience & Positive Connections Supporting boys and young men to develop healthy, positive masculinities

Who is this session for?

Parents and carers of boys and young men who want to better understand the messages about masculinity their children are receiving and gain practical tools to support healthy, positive development at home.

About the session

This parental support session takes an aspirational approach to masculinity. It focuses on confidence, resilience and positive relationships and is delivered by practitioners who are also parents, with a clear understanding of the pressures families face today.

FRESH FRUIT, YOGHURTS & JELLY

ALLERGIES

PLEASE SPEAK TO A MEMBER OF STAFF IF YOU HAVE AN ALLERGY & NEED TO KNOW WHAT'S INSIDE OUR FOOD DISHES.

REMINDERS

If your child has an Epi-pen or an inhaler, please ensure that we have a spare one in school that can be held in the front office. Please also check that it is in date.

We are seeing an increase in the number of youngsters that need antihistamines during the school day. If your child needs this medication, please drop some off at the school office.

We hold a very limited supply of paracetamol and ibuprofen in school. If your child regularly needs painkillers or anti-inflammatories, please leave some in the school office that can be accessed when necessary.

STUDENTS SHOULD NOT CARRY ANY MEDICATION OTHER THAN AN EIPEN OR INHALER

SINGING LESSONS

We are delighted to have a third singing teacher joining us in the Music Department from September 2026. This is due to the increased demand for singing lessons we have in school.

If your child would like singing lessons from September, please email Mrs Towers asap so that she can discuss further details with you.
