

MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

As we reach the end of another successful academic year, I would like to take this opportunity to thank you for your continued support of Welland Park Academy. The partnership between home and school is so important, and your encouragement, trust and support have played a vital role in helping our students flourish throughout the year.

Looking back, there is so much that we can be proud of. Our students have achieved great things both inside and outside the classroom, and they have consistently demonstrated the values that sit at the heart of our school community: Perseverance, Achievement, Respect and Kindness. Whether through their learning, sporting achievements, performances, community work or the way they care for one another, our young people have been tremendous ambassadors for Welland Park Academy.

This week has been a wonderful way to conclude the academic year. Our Cambodia Expedition is going extremely well, with students embracing every opportunity and representing the school with distinction. Closer to home, Sports Day on Tuesday morning was a fantastic success. Thankfully, the cooler weather made conditions much more comfortable, and it was a pleasure to see so many students demonstrating determination, teamwork and good humour throughout the event.

I am also incredibly proud of our staff. Their commitment, care and dedication to our students is exceptional, and they work tirelessly to ensure that every child has the opportunity to succeed. Over recent days, my inbox has been filled with messages from parents and carers thanking staff for their support, encouragement and care throughout the year. Reading these messages has been both humbling and uplifting, and they serve as a wonderful reminder of the difference our staff make every single day. Together, our students, staff and families make Welland Park Academy such a special place to be.

As Principal, I feel enormously privileged to lead such a wonderful school community. The Welland Park family is something very special, and I am grateful every day for the positivity, resilience and support shown by our students, staff and families.

I hope that the summer break provides an opportunity for everyone to rest, recharge and spend valuable time with family and friends. You have earned it.

We look forward to welcoming our new Year 7 students on Wednesday 26 August and the rest of the school on Thursday 27 August at the normal time, ready for another exciting year ahead.

On behalf of everyone at Welland Park Academy, thank you once again for your support throughout the year.

I wish you and your families a wonderful summer.

Pete Leatherland—Principal
