The Policy Statement

Welland Park Academy is committed to increasing the extent to which people with disabilities can access and participate in the life of the Academy. This commitment is in accordance with section 1.1 of the Academy's Equality Policy, related policies, the requirements of the Disability and Equality Act (2010) and related legislation.

Objectives

- Increase the extent to which students with disabilities can access and participate in Welland Park Academy's curriculum.
- Increase the extent to which adults with disabilities can access and participate in the Welland Park Academy as employees.
- Increase the extent to which adults with disabilities can access and participate in the Welland Park Academy's life, as parents of students and as visitors to the Academy, in whatever capacity. For example, as audience members, providing goods and services, as guest speakers, assessors, examiners, inspectors and at parent evenings.

Procedures

- Paying due attention to accessibility will further ensure our compliance with the Equality Policy. It will be implemented, managed and reported as part of that policy's monitoring cycle.
- An assessment of Welland Park Academy's site will be undertaken to evaluate what actions can be undertaken to improve accessibility. Additionally, it will provide guidance where access difficulties are identified.
- Welland Park Academy recognises the help and support that disabled individuals, students, staff, parents and voluntary organisations working with the disabled will be able to make with these evaluations and planning.
- Welland Park Academy will prepare an Accessibility Plan in line with the assessments made and develop that plan as resources permit.

Implementing the Policy

The Accessibility Plan should be implemented.

Progress with the Accessibility Plan should be evaluated annually, with the evaluation of the  EP. The annual evaluation of the Accessibility Plan should be overseen by Governors, in conjunction with the Principal and the SENDCo.

The Accessibility Plan

The Accessibility Plan should identify targets by time scale, identify concrete actions, completion dates (and milestones for reporting purposes) and success criteria. These criteria should include an evaluation by student outcome and the canvassing of adult views.

The Accessibility Plan contains actions to:

- Increase the extent to which disabled students can participate in Welland Park Academy's curriculum.
- Improve the physical environment of the academy, for the purpose of increasing the extent to which students with disabilities are able to take advantage of education and benefits, facilities or services provided or offered by the academy.
- Improve the delivery of information, which is readily accessible, to students with disabilities.
- The Accessibility Plan should be read in conjunction with the Academy's SEND Policy, the SEND Information Report and the Accessibility Policy. The Accessibility Policy complies with our funding agreement and articles of association.
